**Course Description:** instruction directed to the competent sailing of small sailboats. Boats used are Sunfish, Interlake, Jet 14, Lightning, Flying Scott and Thistle. While the course is oriented toward adults, parents or guardians may enroll youngsters  $\geq 12$  years old. Parents/guardians must provide written permission for those  $< 18$  years old, so we may take these youngsters out on the water.

**Part I:** Classes:

Monday, May 8	6:30 – 8:30 PM	Local Roots Market & Café
Monday, May 15	6:30 – 8:30 PM	Local Roots Market & Café
Monday, May 22	6:30 – 8:30 PM	Local Roots Market & Café

**Part II:** On-Water Instruction, Charles Mill Lake: (a) Entire Class: Wednesday, May 24  
(b) Individual: May 14 through June 25

**On-Water Instruction:** In addition to the scheduled Wednesday, May 24 session, individualized instruction is included in the \$25 class fee. To arrange these extra on-water sailing lessons, students are to contact skippers per the list on the reverse side. Some skipper/instructors will be available on evenings and weekdays as well as on weekends. There is no limit to the number of times students may take advantage of the one-on-one teaching, but students will need to complete this portion of the course, if not a club member, by June 25 (students will be considered guests of the club through Sunday, June 25). We recommend students arrange hands-on sessions as soon as they are able after the first Wooster class, and complete as many as possible before the June closing date. Also, students may come to the Mohican Sailing Club for instruction, without an appointment, on any Sunday beginning May 14, after 12:00 noon. Someone will be on hand to teach. We encourage students, as a part of their training and experience, to volunteer as crew for our regular Sunday races at the Mohican Sailing Club. Skippers always need extra hands.
