Mr. C. P. Siegenthaler
72 North Main Street
Mansfield, Ohio

Dear Mr. Siegenthaler:

It is regretted that this office has been unable to give you definite information relative to proceeding with the excavation and foundation construction for your proposed club house. Promptly upon returning from conferring with you and your club members, I informed the District Engineer by memorandum of your desire to start construction. To date no reply has been received.

You may be assured that you will be promptly notified when this office is advised of the action taken by the District Engineer.

For the Division Engineer:

Very truly yours,

Albert C. Brown
Engineer
Project Manager
