Honorable Harry J. McGregor, Rep.
17th District
House Office Building
Washington, D. C.

Dear Sir:

Some time ago we requested your assistance in securing an extension of a REA power line to the site of our club house on Charles Mill Dam.

We wish to advise that prompt attention was obtained through your request to the Firelands Power Co. and we now enjoy the power service.

Our membership has asked me to write to you and express our sincere appreciation of your efforts and wish to thank you for all you have done for us in the past. I am sure that all our members consider you a friend indeed and will aid whenever we can be of assistance to you.

Yours very truly,
