Mr. Glenn Macy, Secretary
Mohican Sailing Club
907 Maumee Avenue
Mansfield, Ohio

Dear Mr. Macy:

Relative to our previous correspondence, and Congressman McGregor's interest concerning the extension of power to the Club House of the Mohican Sailing Club, he has today received a reply from Mr. Welhelm of the Firelands Electric Cooperative, Inc..

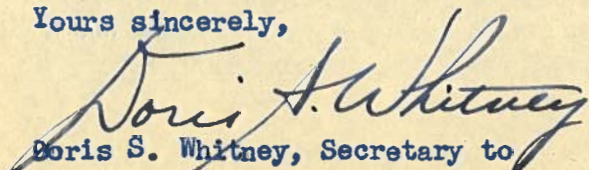

Mr. McGregor is indeed pleased to learn that Mr. Welhelm states:

"We are proceeding with construction on the basis of area coverage. Am please to inform you that Extension 368A, which includes the Sailing Club, is scheduled for construction within the next two weeks. In fact, poles will be delivered within a few days and this will be followed up by the construction crew.

"We appreciate your interest in this Club obtaining service and can assure you of our desire to make it available as promptly as possible in keeping with other conditions with which we are confronted."

Please do not hesitate to advise the Congressman if he can be of further assistance to you at any time in the future.

Yours sincerely,

Doris S. Whitney, Secretary to
J. HARRY MCGREGOR, M.C.
